LIFE stands for Living Independently for Everyone. These are confidential mutual aid meetings for people affected by the addictive behaviour of someone close to them.

The groups use tools from Cognitive Behaviour Therapy and Rational Emotive Behaviour Therapy in combination with the highly acclaimed CRAFT (Community Reinforcement and Family Training) programme.

The programme is designed to help those affected by a loved one's addictive behaviour to learn new ways of dealing with the challenges, thoughts and emotions that they experience.

Sessions are facilitated by someone with personal experience of family members in addiction. Attendance at all meetings is open and no referral is required.

Check the dates for meetings that take place on Mondays, details below.
